INTRODUCTION

Dear Valued Partners,

As we prepare to welcome the year **2026**, we are proud to present our latest collection in this New Year Diary Catalogue—a carefully designed range created with evolving market trends, user preferences, and your business success in mind.

With decades of expertise in diary manufacturing, “**Amaze**” has built its reputation on quality craftsmanship, timely delivery, and a deep understanding of market needs. Each product in this catalogue is a result of continuous innovation, from premium materials and finishes to functional layouts and modern aesthetics that cater to both corporate and retail segments.

This year's collection offers a diverse selection—including premium range, classic range, special range, theme range, profession range, special edition, economical range & planners, customized branding options, and eco-friendly editions—designed to help you meet the dynamic expectations of your customers. We have also streamlined our production and order processes to ensure faster turnaround times and greater flexibility in customization for your bulk requirements.

We view our dealers not just as distributors, but as long-term partners in our journey. Your feedback, insights, and trust have been instrumental in shaping this catalogue and strengthening our presence across markets. As you explore our **2026** range, we are confident you will find products that not only match market demand but also enhance your business offerings.

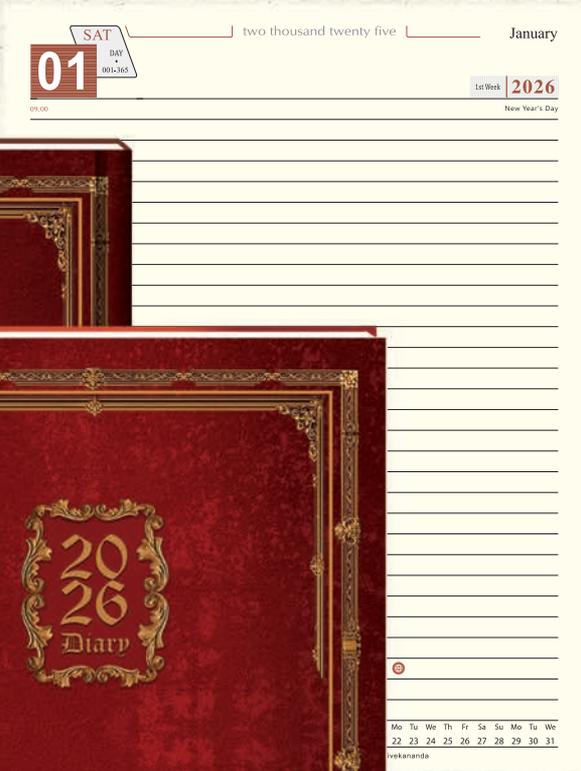

Thank you for your continued support and partnership. Let's make **2026** a year of strong growth, mutual success, and shared achievement.

Warm regards,

Team Amaze

PLANT TREES

Grow Green. Breathe Clean

...ent warrior—cleaning air, cooling Earth, and
...g one is not just an act of gardening, but a
... In their shade, the future breathes. Let's plant
...f by leaf. Green begins with a single seed.
