ABOUT US

Our aim to revolutionize the Indian mobile accessories market by empowering our consumers with the concept of '**Affordable Luxury.**'

The brand envisions to combine Swiss craftsmanship with robustness, endurance, and perfection of the Swiss armed forces into its product range to deliver a brand experience like no other.

Swiss Military has been pushing the 'rugged aesthetic' vision since 1963; while being committed to pioneering uniquely special and ideally suited accessories and products for individualistic and quality conscious lifestyles.
