PERSONAL MESSAGE FROM MCPL

Here, We present you the developments of our brand Speedex, established in the year 2001. From a small business to leading manufacturer of stainless steel bottles and pressure cookers is a dream come true.

We focus on innovating and improving our product quality in order to achieve maximum customer satisfaction. We are keen on developing intelligent products with an ultimate aim of launching zero plastic range.

Inspired by customers, our products are just as smart, versatile & reliable. We offer products for every age group.

In the end, we would like to convey our deepest gratitude to our suppliers, distributors, employers, customers & well-wishers for continuously supporting us in achieving our aim.

Best Wishes,

speedex[®]
